**ALEJANDRO (ALEX)
PAVÓN MENDOZA**

Supplier Development Director
Safran Aerosystems – **Safran Group**

Alejandro (Alex) Pavón is the Supplier Development Director of Safran Aerosystems (Zodiac Aerospace Equipo de Mexico S de RL de CV). Mr. Pavón joined Zodiac Aerospace in 2017 right before its acquisition by Safran and has supported this integration into the new Safran Group. Mr. Pavón has more than 30 years of experience working for international firms across the Aerospace, Automotive and Construction Industries, including Mexican, American, Japanese, and Spanish in key executive leadership purchasing roles, with achievements in Mexico sourcing and integration of Mexico into a global supplier base.

Mr. Pavón received his Bachelor of Science (BS) degree in Industrial Engineering from the Queretaro Technological Institute.
