WHAT IS AEROSPACE MEETINGS QUERETARO?

Aerospace Meetings Queretaro is a platform for prime OEMs to connect with companies offering the right capabilities and services through a matchmaking program.

BCI Aerospace is recognized worldwide for the quality of the matchmaking programs in the aerospace and defense industries. It is the organizer of the Aeromart series: Aeromart Toulouse, Aeromart Montréal, Aeromart Summit Tianjin and Aeromart Nagoya.

Aerospace, a key sector in Mexico & in the Region of Queretaro

Queretaro is the main hub to Mexico's aerospace clusters and holds a large concentration of over 30 aerospace companies. Queretaro is regarded as the rising high-tech center for aerospace manufacturing, and its SMEs are significantly robust because of the big name companies settled in the region including Airbus, Safran, Delta and Bombardier.

EVENT FORMAT

CONFERENCES

These sessions are exclusively presented by large OEMs. They aim to provide the industry a deeper understanding of the OEMs supply chain strategies.

B2B MEETINGS

BCI Aerospace pre-arranges meetings for the supply chain, procurement, technical teams, suppliers and contract manufacturers based on their own choices prior to the event. This is an outstanding tool to save time, meet the right people and discuss their requirements and capabilities in just 2 days.

WORKSHOPS

These presentations focus on either technologies or products. This is a chance for the audiences to increase and optimize their market knowledge.
